Clusters  
The international network

Cosmetics Clusters, the International Network was launched in 2016 edition of the [Cosmetic 360 fair](#) in Paris, the international exhibition dedicated to innovations and solutions for the perfumery and cosmetics industry, organized by the French cluster [Cosmetic Valley](#).

Cosmetics Clusters gathers 21 partners wishing to share good practices in cosmetics and work an common project in the benefit of its stakeholders.

In the framework of Cosmetic 360, Cosmetics Clusters Rendez-vous aims to foster interactions and collaborations between international clusters, through feedbacks and projects presentations, BtoB meetings...
